INTEGRATED SOLUTIONS SERVICES

01 ABOUT COMPANY

About Us: SMP Integrated Solutions Services

At **SMP Integrated Solutions**, we believe that the foundation of a successful organization lies in the seamless harmony between its people, processes, and infrastructure. We don't just provide services; we partner with you to foster an environment where **operational excellence, productivity, and safety** are the standard, not the exception.

Our Approach: Excellence Through Integration

We specialize in **Integrated Facilities Management**, designed to streamline your business operations and unlock new levels of efficiency. By unifying the management of your workspace—from physical infrastructure to human capital—we create synergies that allow you to focus on your core business objectives.

Why Choose Recrutiz?

Self-Delivery Model: Unlike traditional providers, we self-deliver the vast majority of our services. This direct control ensures we are agile, proactive in anticipating your needs, and consistently responsive to your operational requirements.

Comprehensive Service Suite: Whether it is **hard services** (technical infrastructure maintenance) or **soft services** (support services that enhance the workplace environment), we offer a complete, end-to-end solution.

Technology-Driven: We leverage state-of-the-art **management and technology platforms** to monitor, track, and optimize every aspect of your facility. Data-backed decision-making allows us to improve performance while reducing costs.

Commitment to Quality: We understand that every client is unique. Our solutions are tailored to meet the specific demands of your industry, ensuring that your operations remain **safe, compliant, and highly productive**.

Our Vision

To be the partner of choice for businesses seeking to elevate their operational standards.

We strive to be more than just a service provider; we are your strategic partner in creating a workspace that is **safe, efficient, and built for growth**.

At SMP Integrated Solutions we manage the complexities of your facilities so that you can focus on the future of your business.

Reliability
You can count on.

Integrity
We do what's right.

Excellence
We strive for the best.

Innovation
We embrace new ways to deliver.

People First
We value people and partnerships.

INDUSTRIES WE SERVE

IT & Corporate Offices

Manufacturing Units

Warehouses & Logistics

Hospitals & Healthcare

Schools & Colleges

Malls & Retail Stores

Hotels & Hospitality

Residential Societies

Co-working Spaces

Banks & Financial Institutions

From skilled manpower to complete facility management, we deliver solutions that empower your business to focus on what matters most.

01 HOUSEKEEPING SERVICES

A clean and well-maintained environment creates a positive impression and promotes **health, safety, and productivity**. Our housekeeping services are tailored to meet the highest standards of cleanliness and hygiene across diverse sectors.

OUR HOUSEKEEPING SOLUTIONS

Corporate Housekeeping Staff
Professional staff to maintain cleanliness in corporate offices.

Office Housekeeping
Daily cleaning and upkeep of workstations, meeting rooms, pantries, and restrooms.

Industrial Housekeeping
Specialized cleaning for factories, plants, and industrial premises.

Mall & Retail Housekeeping
Maintaining spotless common areas, stores, and customer spaces.

Hospital Housekeeping
Strict hygiene and sanitation for healthcare facilities.

Residential & Facility Housekeeping
Complete cleaning solutions for residential complexes and facilities.

Pantry & Office Boy Services
Supportive staff for pantry management, tea/coffee service, and general assistance.

Restroom & Washroom Hygiene
Thorough cleaning and sanitization of washrooms and hygiene areas.

Waste Management
Segregation, collection, and disposal of waste responsibly.

Customized Cleaning Plans
Flexible service schedules tailored to your business needs.

KEY BENEFITS

Improves health and hygiene standards

Enhances workplace productivity

Creates a professional work environment

Trained and verified housekeeping staff

Use of eco-friendly cleaning products

Quality checks and continuous monitoring

OUR APPROACH

01 Assessment

We understand your facility needs and cleaning requirements.

02 Planning

We create a customized cleaning plan and allocate resources.

03 Execution

Trained staff deliver consistent and quality cleaning services.

04 Monitoring

Regular inspections and feedback to ensure satisfaction.

05 Continuous Improvement

We adopt best practices and improve services continuously.

INDUSTRIES WE SERVE

IT & Corporate Offices

Manufacturing Units

Hospitals & Healthcare

Malls & Retail Stores

Residential Societies

Schools & Colleges

Hotels & Hospitality

Warehouses & Logistics

Clean spaces. Healthy people. Better performance.
We bring cleanliness and care to every corner of your environment.

02 SECURITY GUARD SERVICES

Safety and security are fundamental to every successful organization. Our trained and vigilant security personnel ensure the protection of people, assets, and property with professionalism and integrity.

Your security. Our priority.

OUR SECURITY SOLUTIONS

Trained Security Guards

Well-trained and disciplined guards for all types of premises.

Armed Security Guards (where permitted)

Licensed armed guards for high-risk and sensitive areas.

Security Supervisors

Experienced supervisors to monitor and manage security operations.

Bouncers & Event Security

Professional bouncers and event security staff for crowd management and safety.

Commercial & Industrial Security

Complete security solutions for business parks, offices, and industrial facilities.

Residential Society Security

Reliable security for gated communities and residential complexes.

Warehouse & Factory Security

Round-the-clock protection for warehouses, factories, and distribution centers.

KEY BENEFITS

Ensures safety of people, assets, and property

Deters theft, vandalism, and unauthorized access

24/7 security presence and quick response

Trained, verified, and background-checked staff

Customized solutions for every industry

Regular patrolling, reporting, and incident management

OUR SERVICE APPROACH

01 Assessment

We assess your security needs, risks, and site requirements.

02 Deployment Plan

We design a customized security plan and deploy the right personnel.

03 Implementation

Trained guards are deployed with clear SOPs and duties assigned.

04 Monitoring

Continuous supervision, patrolling, and real-time incident reporting.

05 Continuous Improvement

Regular audits, feedback, and training to maintain high security standards.

WE PROTECT WHAT MATTERS MOST

People

Property

Assets

Information

Reputation

Business Continuity

VIGILANT GUARDS. SECURE ENVIRONMENTS. COMPLETE PEACE OF MIND.

Our commitment is to deliver reliable, professional, and proactive security solutions you can trust.

03 MANPOWER OUTSOURCING

Focus on your core business while we take care of your workforce needs. Our manpower outsourcing solutions provide you with skilled, reliable, and productive professionals who integrate seamlessly with your organization.

Right People. Right Skills. Right Time.

OUR MANPOWER OUTSOURCING SOLUTIONS

Office Assistants
Efficient administrative support to streamline your day-to-day operations.

Admin Support Staff
Reliable administrative professionals to keep your business organized.

Data Entry Operators
Accurate and timely data management to improve business efficiency.

Customer Support Executives
Skilled professionals to manage customer interactions and improve satisfaction.

Receptionists
Professional front-desk support for a positive first impression.

IT & Non-IT Professionals
Qualified resources for specialized roles across IT and non-IT domains.

Front Office Executives
Customer-facing professionals to handle queries and ensure seamless communication.

Temporary, Permanent & Contract Staffing
Flexible engagement models to meet your varying business requirements.

Back Office Staff
Strong backend support to manage processes and documentation.

KEY BENEFITS

Access to a large pool of skilled and verified talent

Reduce recruitment time and operational costs

Flexible workforce to match your business demands

Improve productivity and focus on core activities

End-to-end management of hiring, payroll & compliance

Lower attrition with the right fitment and engagement

OUR SERVICE APPROACH

1 Requirement Analysis

We understand your business needs and workforce requirements.

2 Talent Sourcing

We source and shortlist the best-matched candidates.

3 Screening & Selection

Rigorous screening and background verification for the right fit.

4 Deployment

Seamless onboarding and timely deployment of resources.

5 Performance Management

Regular monitoring and performance evaluation to ensure quality.

6 Continuous Support

Ongoing support and workforce optimization to drive success.

INDUSTRIES WE SERVE

Startups & SMEs

Your Growth is Our Priority

With our manpower outsourcing solutions, you get the right people, right skills, and right support to accelerate your business growth.

**WE MANAGE YOUR WORKFORCE.
YOU FOCUS ON SUCCESS.**

We provide comprehensive facility management solutions that ensure your workplace runs smoothly, safely, and efficiently. Our integrated approach helps reduce costs, improve performance, and create a better experience for everyone.

One Partner. Multiple Solutions. Maximum Efficiency.

OUR FACILITY MANAGEMENT SOLUTIONS

Soft Facility Management

Housekeeping, pantry, waste management, landscaping, and other support services to maintain a clean, hygienic, and comfortable environment.

Workforce Management

Deployment, scheduling, training, and performance management to ensure the right people are available at the right time.

Vendor Management

Selection, coordination, and performance tracking of vendors to ensure quality and cost efficiency.

Site Supervision

On-site supervision and regular inspections to ensure adherence to standards and smooth operations.

Attendance Management

Biometric attendance systems, real-time tracking, and reporting for accurate workforce management.

Compliance Management

Ensuring adherence to statutory regulations, safety norms, and industry standards to minimize risks.

Asset & Inventory Support

Monitoring and maintaining facility assets and inventory for better utilization and cost control.

24/7 Support & Helpdesk

Dedicated support team for quick issue resolution and continuous operational assistance.

KEY BENEFITS

Improved operational efficiency and productivity

Cost optimization through better resource management

Enhanced workplace experience and satisfaction

Full compliance with statutory and safety standards

Data-driven insights for better decision making

Single point of contact for all facility needs

OUR APPROACH

01 Assessment

We understand your facility requirements and challenges.

02 Planning

We design a customized facility management plan as per your needs.

03 Implementation

We deploy the right resources, processes, and technology.

04 Monitoring

We continuously monitor and track performance using advanced systems.

05 Reporting

Regular reports and insights ensure transparency and accountability.

06 Continuous Improvement

We optimize processes to deliver better results every day.

We connect the right talent with the right opportunities. Our recruitment and staffing solutions are designed to help businesses build strong, capable, and future-ready teams across all levels.

Right Talent. Right Fit. Right Impact.

OUR RECRUITMENT & STAFFING SOLUTIONS

Permanent Staffing

Hire skilled professionals for long-term roles to strengthen your organization.

Temporary Staffing

Flexible staffing solutions to meet your short-term and seasonal requirements.

Contract Staffing

Cost-effective engagement of talent for project-based or time-bound assignments.

Bulk Hiring

Scalable recruitment solutions to meet high-volume hiring requirements efficiently.

Campus Recruitment

Attracting and nurturing young talent from campuses to build your future workforce.

Executive Search

Identifying and placing senior leaders and domain experts to drive business growth.

Blue-Collar Workforce Hiring

Reliable hiring of skilled, semi-skilled, and unskilled workforce for various industries.

KEY BENEFITS

Access to a wide pool of qualified and verified candidates

Faster turnaround time and reduced hiring cycle

Quality hiring with thorough screening

Cost-effective and scalable solutions

Lower attrition and better retention

Builds a strong and productive workforce

End-to-end support throughout the hiring journey

OUR RECRUITMENT PROCESS

01 Requirement Analysis

We understand your hiring needs, role expectations, and organizational culture.

02 Sourcing

We source candidates from multiple channels to build a strong talent pipeline.

03 Screening

Candidates are screened through technical, behavioral, and background checks.

04 Shortlisting

We present only the best-matched candidates for your review.

05 Interview Coordination

We coordinate interviews and provide complete support through the process.

06 Selection & Offer

We assist in final selection, offer rollout, and onboarding.

07 Post Placement Support

We ensure a smooth transition and provide ongoing support for your hiring success.

LASTING PARTNERSHIP

Building long-term relationships through trust, transparency, and performance

Accurate payroll is critical for a motivated workforce and compliant business. Our payroll management services ensure your employees are paid accurately and on time, every time—while you stay 100% compliant.

Accurate. Compliant. Confidential.

OUR PAYROLL MANAGEMENT SOLUTIONS

Salary Processing

Timely and accurate salary calculation and disbursement with complete transparency.

Statutory Compliance

Ensuring compliance with all applicable labor laws, regulations, and government norms.

PF & ESIC Compliance

End-to-end management and deposit of PF & ESIC with timely filings and returns.

Labour Law Compliance

Adherence to all labor laws including Shops & Establishment Act, Minimum Wages Act, and other applicable laws.

Attendance Management

Integration with biometric and attendance systems for accurate payroll processing.

Employee Documentation

Secure management of employee records, contracts, and related documents.

KEY BENEFITS

100% accuracy in salary processing

Timely payments and statutory filings

Complete compliance with labor laws and regulations

Confidential and secure processes

Reduced risk, penalties, and operational burden

Happier employees and stronger trust

OUR PAYROLL PROCESS

01 Data Collection

Collect attendance, leaves, OT, bonuses and other inputs from approved sources.

02 Payroll Processing

Calculate earnings, deductions, taxes and net pay using accurate and compliant methods.

03 Statutory Filings

PF, ESIC, TDS and other statutory filings done accurately and on time.

04 Salary Disbursement

Salaries are processed and disbursed securely through bank transfer on schedule.

05 Reports & Compliance

Generate MIS reports, compliance reports and insights for management review.

06 Continuous Support

Dedicated support team for queries, updates and continuous improvement.

A Safe Environment. A Healthy Tomorrow.

We provide safe, effective, and eco-friendly pest control solutions to protect your people, property, and reputation. Our scientific approach ensures long-lasting results with minimal disruption to your operations.

SAFE FOR PEOPLE. TOUGH ON PESTS.

Effective | Reliable | Responsible

OUR PEST CONTROL SOLUTIONS

General Pest Control

Comprehensive treatment to control common pests like ants, spiders, flies, and lizards.

Termite Control

Advanced termite inspection and treatment to protect your property from structural damage.

Rodent Control

Effective solutions to eliminate rats and mice and prevent future infestations.

Cockroach Control

Targeted treatment to eliminate cockroaches and prevent their breeding and spread.

Mosquito Control

Fogging and larvicidal treatments to reduce mosquito breeding and ensure a mosquito-free environment.

Commercial Pest Management

Customized pest control programs for offices, industries, warehouses, restaurants, hospitals, and more.

Eco-Friendly Solutions

Safe, low-odor, and environment-friendly chemicals that are safe for people and pets.

KEY BENEFITS

Healthy and safe environment for employees and customers

Effective and long-lasting pest protection

Eco-friendly and safe treatment methods

Minimum disruption to business operations

Regular monitoring and preventive measures

Cost-effective solutions and value for money

Trained and certified pest control professionals

OUR PEST CONTROL PROCESS

01 Inspection

We inspect the premises to identify pest activity, source, and risk areas.

02 Assessment

Our experts assess the level of infestation and determine the right treatment plan.

03 Treatment

We use advanced equipment and approved chemicals to treat and eliminate pest infestations.

04 Monitoring

Regular monitoring ensures effectiveness and helps prevent re-infestation.

05 Documentation

Detailed reports and recommendations for continuous protection.

06 Ongoing Support

We provide ongoing support and AMC options for a pest-free environment all year round.

PROTECTING SPACES. ENHANCING LIVES.

08 DEEP CLEANING SERVICES

Beyond Clean. Truly Refreshing.

Our deep cleaning services go beyond everyday cleaning to remove dirt, grime, bacteria, and allergens from every corner. We use advanced equipment, safe chemicals, and a detailed approach to deliver a healthier, fresher, and spotless environment.

- Professional Team
- Advanced Equipment
- Safe Chemicals
- Spotless Results

OUR DEEP CLEANING SOLUTIONS

Office Deep Cleaning

Thorough cleaning of workstations, furniture, cabins, restrooms, and common areas for a healthier work environment.

Factory Deep Cleaning

Removal of dust, grease, and industrial residues from machinery, floors, walls, and high-reach areas.

Floor Scrubbing & Polishing

Deep scrubbing and polishing of all types of floors to restore shine and extend floor life.

Glass Cleaning

Streak-free cleaning of windows, glass partitions, and façades for a crystal-clear finish.

Post-Construction Cleaning

Complete cleaning after construction or renovation to remove dust, debris, and stains.

Pre-Opening Cleaning

Detailed cleaning before your facility opens to ensure a perfect first impression.

KEY BENEFITS

- Deep cleaning for a healthier and hygienic environment
- Removes dust, dirt, allergens, and bacteria effectively
- Advanced equipment and industry-grade chemicals
- Improves air quality and employee productivity
- Extends the life of furniture, fixtures, and flooring
- Customized plans for every space and budget

OUR DEEP CLEANING PROCESS

01 Inspection

We assess the area, identify high-risk zones, and understand your cleaning needs.

02 Planning

We create a customized cleaning plan and select the right tools and cleaning agents.

03 Deep Cleaning

Detailed cleaning of all surfaces, equipment, corners, and hard-to-reach areas.

04 Sanitization

Disinfection of critical touchpoints and high-usage areas for a safe environment.

05 Quality Check

Rigorous quality inspection to ensure every area meets our high cleaning standards.

06 Ongoing Support

We provide regular cleaning schedules and post-service support for complete satisfaction.

INTEGRATED SOLUTIONS SERVICES

TOOLS & EQUIPMENT:

ENSURING PRECISION IN CLEANLINESS

At SMP INTEGRATED SOLUTIONS SERVICES, we understand that high-quality housekeeping is not just about effort—it is about utilizing the right tools for the right environment.

Our state-of-the-art equipment, managed by our trained professionals, ensures the highest standards of hygiene and presentation across corporate, industrial, and healthcare facilities.

Right Tools. Trained Hands. Superior Cleanliness.

Advanced Equipment

Trained Professionals

Eco-Friendly Solutions

Consistent Excellence

1 MECHANIZED CLEANING EQUIPMENT

Powerful machines for large-scale and heavy-duty cleaning operations.

Auto Scrubber Machines

Deep cleaning and simultaneous drying of large floor areas. Ideal for malls, hospitals, airports, warehouses, and corporate offices.

Single Disc Machines

Floor scrubbing, polishing, buffing, and crystallization. Suitable for marble, granite, vitrified tiles, vinyl, and concrete surfaces.

Wet & Dry Vacuum Cleaners

Removes dust, dirt, debris, and liquid spills efficiently. Perfect for carpets, upholstery, office spaces, and industrial environments.

High-Pressure Jet Cleaners

Heavy-duty cleaning for parking areas, building exteriors, pathways, and industrial equipment. Removes stubborn dirt, grease, algae, and grime.

Air Blowers

Speeds up floor drying after cleaning. Reduces slip hazards in high-traffic areas and supports efficient maintenance operations.

2 SPECIALIZED CLEANING TOOLS

Precision tools for delicate and high-touch environments.

Microfiber Mop Systems

Color-coded mops to prevent cross-contamination. Ideal for offices, hospitals, washrooms, and food-service areas.

Dust Control Sweepers

Captures fine dust particles efficiently. Suitable for warehouses, manufacturing units, and IT facilities.

Professional Glass Cleaning Kits

Squeegees, extension poles, and applicators for streak-free finishes. Ideal for windows, glass partitions, façades, and high-rise structures.

Microfiber Cloths & Cleaning Pads

Scratch-free cleaning for electronics, desks, workstations, and sensitive surfaces. Highly absorbent and reusable.

3 SAFETY & HYGIENE EQUIPMENT

Ensuring safety, hygiene, and compliance in every cleaning operation.

Safety Signage

"Wet Floor" and caution boards to ensure a safe environment for employees and visitors during cleaning activities.

Eco-Friendly Cleaning Chemicals

Professional-grade, eco-friendly cleaning agents that are tough on grime but safe for the environment and surfaces.

Personal Protective Equipment (PPE)

Our staff is equipped with gloves, masks, safety shoes, and other PPE to ensure maximum protection and regulatory compliance.

TECHNOLOGY-DRIVEN OPERATIONS

We integrate modern management platforms to track equipment maintenance, monitor performance, and ensure our fleet is always in peak operating condition—minimizing downtime and maximizing service quality for your facility.

Digital Tracking of Equipment

Preventive Maintenance Schedules

Quality & Safety Compliance

Improved Efficiency & Productivity

WHY RECRUTIZ?
